HOBBIES

- playing video games (or even watching people play them - weird!)
- reading graphic novels
- feeding my two guinea pigs, Turtle & Praline, some lettuce
- diving into random Wikipedia articles

EXPERIENCE

KSDK-TV | 5 On Your Side

Motion Graphics Producer

St. Louis, MO • August 2021 - Present

- Created motion graphics to visually enhance promotional messaging & unite our branding. Including commercials, news, & internal use.
- Established the look of our 75th Anniversary. Animated the 75th logo used on our promotions, news vignettes, and current news ticker. Additionally, designed a Banner Show Exhibit that was displayed at the Missouri History Museum & is set to travel throughout the St. Louis region.
- Collaboratively worked with our team to deliver high quality works under tight deadlines.
- Utilizing Adobe After Effects, Adobe Media Encoder, Adobe Photoshop, and Adobe Illustrator to execute projects daily.

Cintrex A.V.

Video Editor

Maryland Heights, MO • May 2019 - May 2020

- Assisted in restoring & converting various obsolete media types for companies such as J.B. Hunt, Dole, and Mutual of Omaha. Media includes film, VHS tapes, photo slides, audio cassette tapes, and more.
- Worked extensively with film: cleaning film strips, recording film onto digital media, color-correcting red-tinted film, and syncing film audio.
- Troubleshoot issues with VHS players, audio cassette recorders, and damaged tape & film.
- Worked simultaneously with Mac OS and Windows.
- Primarily utilized Adobe Premiere Pro.

Coolfire Studios

Motion Graphics & Editorial Intern

St. Louis, MO • January 2018 - May 2018

- Assisted in organizing project files, managing media, and creating rough cuts for various projects. Created original graphics for their ongoing projects.
- Assistant editor on a client project, St. Louis Arc. Consisted of four videos total. Heavily communicated with lead editor & project coordinator during all adjustments. These videos were displayed at St. Louis Arc's annual gala.
- Utilized Adobe After Effects & Adobe Premiere Pro.
